

Agenda No:	7.1
Mtg Date:	Feb. 13/14

Rural Health Services Research Network of BC

2014 Rural Health Services Research Conference

Join us from April 10-11, 2014 at the Manteo Waterfront Resort in Kelowna, BC for the 2014 Rural Health Services Research Conference, entitled "Building Intersections for Vibrant Rural Communities: Research on Health, Wellness, and Place." This year's theme focuses on intersections between research, practice, and policy for healthy built environments.

The 2014 Rural Health Services Research Conference is a collaboration between **Interior Health**, the **Rural Health Services Research Network of BC (RHSRNbc)**, the **University of British Columbia (Okanagan)**, and others. This annual conference will feature rural health services research, drawing provincial and national interest to bring a wide range of disciplines together for inter-professional learning, network, and partnership building. Over three days, participants will be exposed to leading research in rural health services, sparking enthusiasm in this under-served and exciting area of research.

Call for Abstracts – Now Open!

We invite you to submit your application to present at the 2014 Rural Health Services Research Conference online, here. The deadline for submissions is **January 30, 2014**.

Follow

View the Call for Abstracts here.

Conference Registration – coming soon

Registration for the conference will open shortly, and will be as follows:

- Regular: \$250 full registration, or \$135/day
- Students with a valid student ID: \$125 full registration, or \$75/day

Take note that the Pechakucha Night on Friday, April 11 will be free of cost and open to the public. Bring your friends out to this informative multimedia event!
